

Qianming Li (Member, IEEE) received the M.S. degree in urban planning and the Ph.D. degree in civil architecture and planning design from Central South University, Changsha, China, in 2016 and 2021, respectively.

Since 2021, she has been a Lecturer with the School of Information Science and Engineering, Hunan Institute of Science and Technology, Yueyang, China. Her research interests include image processing, regional spatial structure, and urban analysis in remote sensing.

Antonio Plaza (Fellow, IEEE) received the M.Sc. and Ph.D. degrees in computer engineering from the Hyperspectral Computing Laboratory, Department of Technology of Computers and Communications, University of Extremadura, Cáceres, Spain, in 1999 and 2002, respectively.

He is currently a Full Professor and the Head of the Hyperspectral Computing Laboratory, Department of Technology of Computers and Communications, University of Extremadura. He has guest edited ten special issues on hyperspectral remote sensing for different journals. His main research interests include hyperspectral data processing and parallel computing of remote sensing data. He has authored more than 600 publications in these fields, including 342 JCR journal articles (249 in IEEE journals), 24 book chapters, and 330 peer-reviewed conference proceeding papers.

Dr. Plaza is a fellow of the IEEE "for contributions to hyperspectral data processing and parallel computing of Earth observation data" and a member of the Academia Europaea (the Academy of Europe). He was a recipient of the recognition of Best Reviewers of the IEEE GEOSCIENCE AND REMOTE SENSING LETTERS in 2009 and the IEEE TRANSACTIONS ON GEOSCIENCE AND REMOTE SENSING in 2010, for which he served as an Associate Editor from 2007 to 2012.

Jun Li (Fellow, IEEE) received the B.S. degree in geographic information systems from Hunan Normal University, Changsha, China, in 2004, the M.E. degree in remote sensing from Peking University, Beijing, China, in 2007, and the Ph.D. degree in electrical engineering from the Instituto de Telecomunicações, Instituto Superior Técnico (IST), Universidade Técnica de Lisboa, Lisbon, Portugal, in 2011.

From 2013 to 2021, she was a Full Professor with Sun Yat-sen University, Guangzhou, China. Since 2022, she has been with the China University of Geosciences, Wuhan, China, as a Full Professor. She has obtained several prestigious funding grants at the national and international levels. She has authored more than 160 journal citation report (JCR) articles, 60 international conference papers, and a book chapter.

Dr. Li has been serving as the Editor-in-Chief for the IEEE JOURNAL OF SELECTED TOPICS IN APPLIED EARTH OBSERVATIONS AND REMOTE SENSING since 2021.
